**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I switched over to Sonic for my internet and cable service in the first week of January this year after having been with Comcast for over 20 years. One reason was that Comcast was one of the telecoms that wouldn't support net neutrality, in addition, Sonic's monthly plan was a lot cheaper.

So I don't want to reverse course and have to deal with price hikes that will increase the cost of my phone and internet service, which will happen if this pending proposal is passed. I support broadband competition.
